| Hot Dog Day Book orders due | 10 |
| Craft items due | 11 |
| Up movie night | 11 |
| Boston Pizza | 17 |
| Last Day before Winter Holidays | 18 |

Holiday Craft

As part of our unit on measurement we will be making a special craft. Your child in our class is asked to bring in a clean empty mason jar and a bag of dried beans. Your child is asked to bring

to be used with our craft. Please send the items in by December 11th.

’Twas the Night

On December 17th we will be having our “’Twas the Night Before Christmas party”. Your child is invited to wear pajamas to school on that day. We will read the traditional story, drink hot chocolate and decorate gingerbread cookies. I am looking for donations of small candies to use to decorate the cookies. If you are available to help with the festivities, please

let me know in your child’s agenda.

Winter Weather

Winter weather will soon be here. Please make sure that your child has an indoor pair of shoes to keep at school and that all boots, hats and mittens have your child’s name in them.

Water Bottles

Students are not to use the water fountains in our classroom. The fountains in the hallway are flushed regularly so students can drink from those fountains. In order to reduce time spent out of the classroom I am suggesting that students bring a bottle of water to keep and refill at school.

Headphones

We will be using computers on a regular basis in our classroom. Your child will need a pair of headphones to keep in their desk to use with the computers. Headphones can be purchased at the dollar store.

Glenwood School Movie Night- Friday, December 11, 2009

Disney’s UP!

When was the last time you were able to relax and enjoy a movie for the entire family? Well, we are a community school and we want to give back to our community! On Friday, December 11th from 7pm on we will enjoy the movie Up (rated PG). There is no charge for the movie viewing. However we are accepting monetary donations. We will have lots of snacks for sale- popcorn, chips, drinks and holiday treats- at a fraction of the price of movie theaters. We ask that parents (and grandparents) join their children and bring some blankets to cuddle on the gym floor. Our students are welcome to wear their pajamas, bring pillows, blankets and slippers to be extra comfortable. All of our students from JK to Grade 8 are welcome to attend.

Curriculum Corner

Language Arts—stories about caring, traditions and celebration
- writing sentences using capitals and periods

Math—Addition and Subtraction

Social Studies—Ways people in the community interact to meet their needs.

Health—Food groups and healthy eating
