

INFORMED MASSEY PARENTS ADVISORY COUNCIL ("IMPAC")

The Ontario Ministry of Education has mandated School Councils to identify school-wide issues from parents, staff, and the community and to make recommendations to the principal. IMPAC, Informed Massey Parents Advisory Council, meets on the first Tuesday of every month (October to June) at 7:00 p.m. in the Massey Secondary School library to discuss school-wide related issues, and to provide a mechanism for parental input. At selected meetings, speakers have addressed topics such as English literacy, numeracy skills, guidance, student nutrition and the cafeteria, and teenage gambling addictions. The fundraising of many parents has supported school activities such as: literary journals, soccer, hockey, cross country, band, yearbook, web team, as well as robotics, math competitions, Reach for the Top, and the Distinguished Student Awards. Notice is given below for the Annual General Meeting of IMPAC, where nominations and elections of Board members and Officers will take place; parents who do not want to commit to being Board members, are welcome to attend any or all meetings and to contribute to discussions and/or committees. IMPAC will continue to support school administration, teachers, and students to improve teaching and learning at Massey.

L. Lee, IMPAC Chair

4 July 2007

The School calendar, Principal's notices as well IMPAC bylaws and reports, found on the **Massey/IMPAC website**, provide a wealth of information for new as well as returning parents. The website can be accessed with the following links: <http://www.gecdsb.on.ca/schools/SEC/massey/>
