IMPORTANT BOUNDARY INFORMATION

Dear Belle River District High, Essex District High, Riverside Secondary, AV Graham, DM Eagle, Victoria, Lakeshore Discovery, McCallum and Maidstone School Parents and Caregivers:

At the Public Board meeting held on Wednesday, June 16, 2010, trustees approved the boundary for the secondary panel of the new school to be built on Shields Drive in Tecumseh. Maps outlining the new boundaries are available in your school and on your school's website. Maps may also be found on the board website at www.publicboard.ca under the PARC icon in the Tecumseh school area. A narrative of the boundary is attached.

As of September 1, 2011, students from A.V. Graham School (D.M. Eagle and Victoria) will no longer transition to grade 9 at Belle River District High School but will attend secondary school at the new school in Tecumseh. Students attending Belle River District High, Essex District High and Riverside Secondary schools prior to September 2011, will be allowed to complete their secondary education at the respective school.

Please note that these changes and boundary adjustments are effective **September 1, 2011.**

If you have any questions, please call my office at 519-255-3200 extension 10223 or my Administrative Assistant, Lynne Hornby at 519-255-3200 extension 10271.
