leaving a
LEGACY

May 30, 2011

Dear Parent, Guardian or Family Member,

For the past two years the students at our school have been working hard raising funds towards the purchase of new playground equipment. With enrollment currently at 672 students and a playground with only three pieces of equipment, the need and desire are obvious. We are sure if you ask your child, they will definitely reiterate this point.

This initiative has been headed up by the parents and staff who make up the School Advisory Committee (SAC). Many of you have made pledges to your child during the walk-a-thon, and for that we thank you. Around \$25,000 of the funds raised at the annual walk-a-thon has been reserved for new equipment. Our current goal is to raise enough money to complete the purchase and installation of our playground equipment for September of this year. In order for that to happen we are looking to the families of LPS to make a gift to the equipment fund in the name of your child/children and bring us one step closer to making this happen. We have begun our search for business donors in our town and hope that these combined efforts will get the job done!

We will continue to fundraise for this equipment as long as it takes, but with your help today, you can leave a legacy in your child's name and make this dream a reality much quicker. A permanent structure will be displayed at the playground site highlighting those who made a contribution. Attached you will see a drawing of the proposed equipment custom designed for our school.

Today I am asking you to commit to helping the current and future children, staff and families of LPS with a tax deductible donation. Please send your gift to the school office with your child or contact myself to make other arrangements.

With great thanks,

Carla Wall
On behalf of the SAC
Fundraising Committee

DONATION REQUEST FORM

Contributions will be recognized:

In LaSalle Public School newsletter and on the School website.

In the Town of LaSalle newspapers.

Contributions of \$100 or greater will be recognized as above as well as:

Custom engraved donor sign on playground site.

At the official opening of the new playground, our goal is to do this at the annual Meet the teacher Barbeque, September 2011.

I would like to make a tax deductible donation in the amount of:

\$50

\$75

\$100

\$150

\$200
